For publication in SWINDON Book Series

Edited by Exceed SWINDON

Dear Contributor(s)

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable the Owner to disseminate your Contribution to the fullest extent, we need to have this CTA executed. If the Contribution is not accepted for publication, this Agreement shall be null and void. **Publication cannot proceed without submitting a signed pdf copy of this Agreement to Publishing Exceed (publishing-exceed@tu-bs.de).**

The Contributor(s) represented by the correspondence author assign to the Owner, during the full term of copyright and any extensions or renewals, all copyright in and to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the SWINDON Book Series and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so. For the avoidance of doubt, "Contribution" is defined to only include the article submitted by the Contributor(s) for publication in the SWINDON Book Series and does not extend to any Supporting Information (SI) submitted with or referred to in the Contribution. To the extent that any SI is submitted to the SWINDON Book Series for online hosting, the Owner is granted a perpetual, non-exclusive license to host and disseminate this SI for this purpose.

Reproduction, posting, transmission or other distribution or use of the final Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the SWINDON Book Series suitable in form and content as follows: (Title of Article, Contributor, SWINDON Conference Title and ISBN No., Copyright © [year], copyright owner as specified in the publication, Publisher). Links to the final article on the publisher website are encouraged where appropriate.
